INCLUSION STATEMENT

Mayfield Village Parks and Recreation welcomes participation in all programs and activities by individuals with disabilities and special needs. MVPR is committed to inclusion and providing public recreation services in the most integrated setting in which interaction between people with and without disabilities is provided to the maximum extent feasible. MVPR works cooperatively with multiple organizations to facilitate successful participation for those who register for inclusive programming. Visit mayfieldvillage.com for our complete inclusion statement and policies.

Mayfield Village Parks and Recreation understands that not every person with special needs or disabilities requires special recreation programming. Mayfield Village Parks and Recreation will be happy to advise and/or assist individuals who wish to participate in the Mayfield Village Parks and Recreation Programs. We strongly encourage integration, as this inclusive recreation environment provides our residents with even greater options for their leisure time. We strive to make all of our experiences safe and positive.

Mayfield Village Parks and Recreation follows the Americans with Disabilities Act (ADA) for the purpose of employment, programs, services, activities and facilities.

The Inclusion Process

Mayfield Village Parks and Recreation believes that all individuals should be provided with leisure opportunities that allow for performance at their highest level of ability. Mayfield Village Parks and Recreation works to assess what accommodations may be provided when an individual with a disability registers for a recreation program. These accommodations could include observations, additional training for park and recreation staff, adaptive materials and equipment, or aide assistance in the program.

Requesting Special Accommodations

Mayfield Village Parks and Recreation makes every attempt to facilitate the inclusion of individuals with special needs into all of our programs and activities. If you have questions about inclusion, please call Mayfield Village Parks and Recreation at 440.461.5163.

The request for inclusion services should be made at the time of registration with Mayfield Village Parks and Recreation. The parent/guardian must verify that the participant meets minimum eligibility requirements of the program (i.e., age, level of participation, registration) when registering for desired program. Please indicate on the registration form that accommodations are needed. Though not required, families are encouraged to contact a member of the Mayfield Village Parks and Recreation team to inform them of the need for support so advanced coordination of services can begin.

This groundbreaking twist on The Wizard of Oz changed the face of Broadway; from its iconic score packed with soul, gospel, rock, and finger-snapping 70s funk to its stirring tale of Dorothy's journey to find her place in a contemporary world.
